

BRIDGING

WE FURNISH HOMES WITH HOPE®

FOUNDER FRAN

Founder Fran was deeply loved by those who met him over the course of his amazing life well lived. The contagious inspiration and passion Fran shared as an advocate for those in need ensured all people were served with dignity.

“We can put men in a rocket and ship them to the moon and we allow our little kids to sleep on the floor at night? Uh, uh. That’s not right. We can do better!”

“I love each and every one of you from the bottom of my heart.”

“Now, get out there and do something!”

“Just think when you hit your pillow tonight, you can smile knowing (shaking his fist) ‘I did something for someone today.’”

Founder Fran’s vision for Bridging will continue to thrive and his legacy will be everlasting. He has given us HOPE for a better and brighter world and we will never forget his profound words;

“When good people get together and do good things, then good things happen.”
