

Our Legacy Together

Building upon the legacy begun by Fran Heitzman in 1987, Bridging remains true to our mission: *to empower people to thrive in their homes by providing quality furniture and household goods for those pursuing housing stability.*

As our efforts to furnish homes with hope have expanded and adapted to meet the growing needs of our community, so too must our promise of support.

By making a legacy gift today, you help us keep our promise to those in need of our services for *years to come.*

YOU have the power to shape and define your legacy in the most meaningful way possible. This is an opportunity to create a lasting gift that aligns with your values and directly contributes to our vital mission of furnishing homes with hope.

to learn more about leaving a legacy.

"I believe that with all of us just doing what we can, we can change the world. And if everybody practices that, what a beautiful world it would be."

Fran Heitzman, Bridging
Founder

"The true meaning of life is to plant trees, under whose shade you do not expect to sit."
Nelson Henderson

BRIDGING

**A LEGACY
OF HOPE**

Leave a Legacy And Provide Hope for Years to Come

It doesn't take a fortune to create a legacy, just a compassionate heart and a passion to help others – which you're already doing today.

Together, we strive to achieve Bridging's vision that everyone lives in a furnished home.

Bridging thanks you for considering a special gift to sustain our mission and make a difference for those in our community working to fill their lives and homes with hope.

Homes filled with hope tomorrow, begin with gifts today.

Charitable Gift Options: They are as endless as your generosity

There are several different giving options available to you, each offering unique benefits. You can find information about these charitable gift options and the advantages they provide on our website at Bridging.org/legacy. The choice of which option is suitable for your situation depends on the specific goals you have for your gift.

Before making any decision about estate planning, we recommend that you seek the advice of financial planning professionals. Bridging staff are available to answer questions regarding your gift and the impact it will have. **Please reach out to Bridging's Development team**

at 952.888.0777 or by email at legacy@bridging.org.

When you make a legacy gift to Bridging, you become a member of our **Bridging Legacy Society**. You'll join others who have also made a commitment to support our organization, our mission, and all those we serve, well beyond their lifetimes. As a Bridging Legacy Society member you will:

- Receive special recognition in our annual report and on our website.
- Be invited to select events.
- Receive items that enable you to share with others your commitment to Bridging and our mission to furnish homes with hope.

We hope you will consider making a legacy gift to Bridging and join the many who have already made a lasting commitment to our mission, our future and the future of all those we serve today, tomorrow and for many tomorrows to come.
