

KITCHEN PACK PROJECT

Thank you for joining Bridging in our mission to provide basic home essentials to more than 5,000 households each year.

A **kitchen pack project** is a fun way for you to make an immediate impact at Bridging! We need 120 kits each week to meet the need.

Think about all the kitchen utensils you use every day to cook. Imagine not having those items at the ready! The gift of a brand-new kitchen pack will bring a smile to someone's face!

Bridging empowers people to thrive in their homes by providing quality furniture and household goods for those pursuing housing stability.

READY...SET...BUNDLE!

DETERMINE WHAT, WHEN, AND WHERE:

- Your workplace, school, civic club, faith-based organization, or your local community are all great places to host your project.
- When purchasing new items in bulk, we recommend THE DOLLAR TREE and DOLLAR DAYS – easy shipping!
- Planning to have a kick-off event? Bridging would be happy to join you and speak to your group.

GET CREATIVE!

- Use posters, bulletin boards, newsletters, email, word of mouth, and social media to publicize your drive.
- Promotional templates available to customize.
- Add a personalized *Welcome Home* card or message with your logo or organization's name.

WHAT GOES IN EACH BUNDLE?

A basic kitchen pack - what we want ALL packs to contain;

- Can Opener
