

# SPONSOR A DRESSER BUILD

A Bridging dresser build is a terrific opportunity for team building, socializing, and staying active in addition to giving back to those in need.

A dresser build project is great for corporate teams, civic clubs, faith-based groups, schools, and groups of friends and families!

Bridging empowers people to thrive in their homes by providing quality furniture and household goods for those pursuing housing stability.

# READY...SET...BUILD!

New ready to assemble dresser kits are **\$155 each** and in stock.

## Determine your build location:

### At Bridging: Bloomington or Roseville warehouse

- A 10 DRESSER MINIMUM is required for a build at Bridging.
- We provide a brief tour and explain why and how we serve clients.

### Offsite at a location of YOUR choice: We come to you!

- A 50 DRESSER MINIMUM is required for an offsite build.
- A \$500 surcharge is added to cover offsite logistics and handling.
- Next step: a Bridging staff member will meet you at your location to discuss setup and feasibility at your location.

## Choose a date and time with Bridging:

- Dresser build projects are available year round.
- Builds are typically scheduled between 1:00-6:00 p.m. on weekdays.
- Other options may be available, so give us a call and let's find a fit!

## Discuss your group size:

- Assembly teams range in size from 10 – 300+ people.
- Typically, one team of three volunteers will assemble at one 8-foot table.
- All necessary hand tools and instructions are provided.
- Inventory is in stock at Bridging.

## Determine the number of dressers your group will sponsor:

- Once the date, time, and group size are set, we will discuss sponsorship (\$155 each) and the number of dressers needed to keep everyone busy.
- Each team typically builds the first dresser in 40 minutes, a second in 25 minutes, and subsequent dressers in 15 minutes!
- Payment in advance is preferred. Cash, check or credit/debit cards are accepted. An invoice will be provided.
